Dear Friends of Saint Anne Catholic School,

As the season of Advent begins and the end of the calendar approaches, we are writing today asking you to consider making a gift to our school's annual fund. This year's campaign is even more important because we have begun a transition in our approach to fundraising by:

- eliminating two events in order to focus our efforts on the Bazaar, *Steps-4-Students* and the Gala;
- beginning the process of eliminating additional requests to school families to pay for the costs of most activities that take place over the course of the school year;
- initiating a restructuring of the PTO to reduce the focus on fundraising;
- emphasizing the success of the Annual Fund to meet the costs of school operations and keep tuition affordable.

So far this year we have not passed on the cost of the first semester field trips – including transportation, combined the annual spirit-shirt with the bazaar t-shirt, funded the pilgrimage to the Holy Doors, hosted the parent coffees early in the semester.

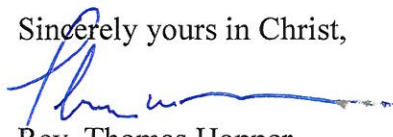

Your gift is tax deductible and may also be directed toward a specific department or program you wish to support and will make a significant difference for the students and teachers.

We ask that you prayerfully consider supporting this campaign with a gift of \$500 or more. If that is not possible, then please consider a gift of another amount that is reasonable to you. Your participation – at any giving level – is very important. It is a clear sign of our entire community working together.

Know that all of us here are very grateful to those who have, in any way, supported our mission over the years. We are again asking for your support by making a gift to our school a priority.

Please review the attached reply form and return it today. Wishing only good things to you at Christmas, we remain,

Sincerely yours in Christ,

Rev. Thomas Hopper
