

# BEAUTIFUL MINDS

Abacus Soroban  
Mental Math

*"Discover the genius in your child.  
They all have beautiful minds."*

What is an abacus?

Why abacus?

- Stimulates and engages both sides of the brain resulting in more "gray matter".

- Increases concentration which allows students to excel in all subject areas.

- Enhances photographic memory, resulting in the ability to retain large amounts of information.

Summer enrichment program at  
Saint Anne Catholic School

Abacus is a visualization tool to master arithmetic and develop mental calculations with amazing speed and accuracy.

- As a result, your children will have confidence performing math calculations and have fun doing it!

tuition includes:

- an abacus,
- access to online practice.
- program materials.
