

St. Anne Catholic School

Faith, Knowledge, Charity

January 26, 2022

Dear St. Anne Catholic School Parents:

Our goal at St. Anne Catholic School is and has always been to provide the best Catholic education to all our students. We can achieve this goal year after year by providing top-talent Catholic educators, and by providing a safe, comfortable, and fun environment for all our students to grow to their God-given potential.

The past two years have been very challenging and have impacted us all in different ways and on different levels. We have had to adjust in many areas while maintaining our standards and prestigious reputation in our community. You have been there in the trenches with us throughout these trying times, and we are very appreciative – thank you!

Fast forward to the present, we find ourselves in a rising-cost environment. Amid pandemic, the rising cost of goods and services have made it difficult for most people, particularly, not for profit organizations – higher prices are everywhere. As we conscientiously and meticulously view the state of our school, we faithfully realize that adjustments are necessary. It is inevitable and unavoidable that we are raising tuition costs. This will allow us to continue to offer the finest Catholic education available. The School Advisory Board, along with the Finance Committee has approved a 3.99% increase for the 2022-2023 school year. We know that everyone has been impacted by rising costs, therefore sibling discounts will now apply beginning in early childhood with our three-year-old program.

As we all know and have experienced your loyalty and commitment, we trust that you will continue to invest in your child's education by assisting in maintaining the stature of St. Anne Catholic School.

May God Bless and Keep You,
